WHAT PEOPLE ARE SAYING ABOUT HAWC?

CLIENT
“Thank you so much for working with us. My children and I were staying with friends for so long I wasn’t angry when they told me we had to get out. I just hadn’t planned for it, so I had no idea where we were going to sleep that night. When I called HAWC the lady was so encouraging and was able to get us into shelter. I just moved into my apartment and wanted to send you a card to show my appreciation.

– Janeen
A Washtenaw County resident and HAWC client

LANDLORD
“It has been difficult getting my tenants to even speak to me when they get behind with rent. I spoke to a HAWC person at court and she gave me information to distribute to clients about calling HAWC when they sign their lease or when they start to fall behind in rent. Since I started working with HAWC, I’ve seen great results with rent payments and saved so much time.”

– Robert
A Washtenaw County landlord and resident

AGENCY STAFF
“I was initially hesitant about the HAWC process, but so many clients have said that it is so much easier to call one place (HAWC) than all over the city looking for housing assistance.”
